

IADLEST Law Enforcement Academy Accreditation Program

The purpose of the IADLEST Law Enforcement Academy Accreditation Program is to evaluate and improve the operational viability of academies by sharing and recommending industry best practices.

If you answer no to any of these questions,
the IADLEST Academy Accreditation Program can help improve the operation of your organization.

Is your academy operating in compliance with state laws and regulations?

Is your academy operating in compliance with state P.O.S.T rules and regulations?

Is your agency operating in compliance with its own policies and procedures?

Academy benefits of participating in an IADLEST accreditation assessment:

1. Demonstrate adherence to national standards
2. Add defensibility via an objective and thorough certification process
3. Comply with statewide standards and practices
4. Increased marketability due to validation of high-caliber training and practices
5. Enhance issue identification techniques and implementation of best practices
