

DDACTS 2.0 Webinar Series

Throughout 2021 IADLEST is hosting a series of NO-COST 1-hour webinars on using data to manage and deploy resources to decrease crashes, crime, and other social harms.

DDACTS 2.0 Overview

February 18th @ 2pm EST

Every law enforcement agency should seriously consider using the Data Driven Approaches to Crime and Traffic Safety (DDACTS) model to reduce crashes and crime AND build community trust by applying agency data to deploy resources transparently and purposefully.

Learn about changes in DDACTS 2.0 and why the DDACTS model can benefit your agency in this first webinar in our 8-part series. Recordings of previous webinars in the series are available.

Training Objectives

1. Examine the newest changes in the DDACTS 2.0 model as a crash and crime-fighting strategy.
2. Dissect each of the DDACTS Guiding Principles and the essential elements of each.
3. Determine WHY the DDACTS model is an effective and efficient strategy for reducing crashes, crimes, and other social harms.
4. Highlight key successful agencies and their successful reduction tactics.
