DDACTS 2.0 Webinar *Series*

Throughout 2021 IADLEST is hosting a series of NO-COST 1-hour webinars on using data to manage and deploy resources to decrease crashes, crime, and other social harms.

Guiding Principle #1 Outcomes Using the DDACTS Model
March 18th @ 2pm EDT

What overarching goals drive your agency? What does your community expect from your department? How will you determine successful outcomes?

Acquire the answer to these questions and more in this second webinar in our 8-part series on DDACTS 2.0. Recordings of previous webinars in the series are available.

Training Objectives

1. Provide examples outlining how DDACTS adheres to the concepts outlined in the 21st Century Policing Task Force report.
2. Analyze the difference between outcomes and outputs.
3. Discover the positive outcomes the DDACTS model can bring to your community.
4. Propose agency-specific desired outcomes that can be presented to community partners and stakeholders for input.
