

# DDACTS 2.0

## Webinar Series

Throughout 2021 IADLEST is hosting a series of NO-COST 1-hour webinars on using data to manage and deploy resources to decrease crashes, crime, and other social harms.

### Guiding Principle #2

#### Data Collection

April 22nd @ 2pm EDT

Accurate data collection provides the foundation to effective analysis and staffing/resource deployment. Learn how to manage your agency data collection efforts to ensure your operational strategies are on track.

This is the third webinar in an 8-part series on DDACTS 2.0. Recordings of previous webinars in the series are available.

### Training Objectives

1. From an agency-wide perspective, assess the importance of accurate, timely, and complete data collection.
2. Identify the different types of data departments collect and determine how to overcome any immediate challenges to efficient data collection.
3. Determine “best practices” an agency can incorporate to overcome faulty data collection efforts.
