

# DDACTS 2.0

## Webinar Series

Throughout 2021 IADLEST is hosting a series of NO-COST 1-hour webinars on using data to manage and deploy resources to decrease crashes, crime, and other social harms.

### Guiding Principle #3

#### Data Analysis

May 27th @ 2pm EDT

**Effective data analysis drives agency operations. Learn how to select qualified individuals and understand the types of analysis these critical staff members can provide.**

**This is the fourth webinar in an 8-part series on DDACTS 2.0. Recordings of previous webinars in the series are available.**

### Training Objectives

1. Relate the analyst's role to the DDACTS model and how analysis can drive police response.
2. Connect the necessity of designating existing or new personnel to analysis to achieve desired outcomes.
3. Differentiate between various analytical products and their relevance to data-driven operations.
