

# DDACTS 2.0

## Webinar Series

Throughout 2021 IADLEST is hosting a series of NO-COST 1-hour webinars on using data to manage and deploy resources to decrease crashes, crime, and other social harms.

### Guiding Principle #6 Information Sharing *August 19th @ 2pm EDT*

**Efficiently communicating internally and externally to your partners, stakeholders, officers, and the media will build trust between all entities. Come and learn the who, what, when, where, how, and why of information sharing.**

**This is the seventh webinar in an 8-part series on DDACTS 2.0. Recordings of previous webinars in the series are available.**

### Training Objectives

1. Determine how to communicate the DDACTS model's successes and challenges to all staff.
2. Using the examples presented, successfully differentiate between the methods of sharing DDACTS model information and outcomes with your community, partners, and stakeholders.
