

IADLEST P.O.S.T Accreditation Program

The purpose of the IADLEST POST Accreditation Program is to evaluate and improve the operational viability of POST agencies by sharing and recommending industry best practices.

If you answer no to any of these questions,
the IADLEST POST Accreditation Program can help improve the operation of your organization.

Is your agency operating in compliance with state laws and regulations?

Is your agency utilizing its delegated authority to its maximum authorized potential?

Is your agency operating in compliance with its own policies and procedures?

Benefits of participating in an IADLEST accreditation assessment:

1. Demonstrate adherence to national standards
2. Add defensibility via an objective and thorough certification process
3. Comply with statewide standards and practices
4. Improve documentation and record keeping
5. Enhance issue identification techniques and implementation of best practices

99 standards encompassing:
