

Damon Ing Ed.D., CPM, LCC

Dr. Damon Ing began his law enforcement career in January 2002. He served as one of the departments, Field Training Officers in the patrol division until February 2009 when he was moved to the Criminal Investigations Unit where he worked on several high-profile cases that attracted media attention worldwide. Here he also served as the departments Community services and Public Information Officer. In November 2013 Dr. Ing was promoted to the rank of Detective and oversaw the property and evidence division as the departments evidence manager. In May 2014 Dr. Ing was promoted to the rank of Sergeant and was in charge of the B-day shift where he has trained newly promoted supervisors. In December 2019 Dr. Ing retired from the Saginaw Police Department and moved into teaching. He is now the Lead Coordinator of the Tarrant County College Law Enforcement Academy in Fort Worth, Texas.

Dr. Ing has been instructing police academies in the region for over a decade. He has taught many of the Basic Peace Officer Courses in a variety of regional police academies throughout the state. Outside of academy instruction, Dr. Ing has taught at a variety of leadership programs and is currently on the advisory board for Vector Solutions. In addition to teaching, Dr. Ing has developed a multitude of online programs for a variety of law enforcement education providers throughout the nation.

Dr. Ing graduated from the University of Texas at Arlington earning a Bachelor's degree in Criminal Justice. He obtained his Master's Degree in Education from the University of Texas at Brownsville, and graduated with his Doctor of Education in Curriculum and Instruction at the University of Texas at Rio Grande Valley.

Dr. Ing has had many accomplishments over the years; here are a few. Dr. Ing has been awarded the Saginaw Police Departments Officer of the year in 2009, Nominated for Supervisor of the Year in 2013, the Tarrant County College Nick Fowler award for classroom excellence and teaching, Medal of Merit, TCOLE academic recognition award (three times), and currently serves as a firearms advisor and has owned his own consulting business for the last 25 years.
