

Wren Nealy Jr. Biography

Wren Nealy Jr. is a certified Paramedic and Licensed Peace Officer in the State of Texas. He is the Assistant Executive Director of Cypress Creek EMS managing Field Operations, Clinical Operations, Communications, Special Operations, Logistics, Public Information, and Community Relations. Wren is a Reserve Lieutenant and former Assistant SWAT Commander for the Waller County Sheriff's Office.

He is the Vice Chair of the Emergency Services Sector – Coordinating Council for the U.S. Department of Homeland Security. Wren is a founding member of the Board of Directors for the International Public Safety Association. He is in his 2nd term as President of the International Police Mountain Bike Association. IPMBA is the standard in public safety cyclist training with 5000 Police, EMS/Fire, and Security members in 17 countries.

He serves as the program director for the CCEMS Tactical Operational Medical Support training program, training tactical medics from across the country and abroad. He has developed several specialized training programs for public safety. He is an accomplished author and public speaker on EMS Special Operations and Emergency Preparedness, presenting at state and national conferences. In 2013 he consulted with Indiana State Representative Wendy McNamara in the revision of HB1111 to allow law enforcement officers trained in tactical combat casualty care to intervene and perform lifesaving medical care during hostile incidents, ultimately testifying before the Indiana House of Representatives on behalf of this bill. In 2015 he was awarded the National Tactical Officers Association TEMS Award for his significant contributions to the Tactical Emergency Medical Support community.
