

# **Yvonne Pfeifer**

## **IADLEST Chief Financial Officer**

Yvonne Pfeifer is an accomplished industry executive with 20+ years of experience in financial management, business leadership and corporate strategy for several large organizations.

Yvonne oversees and manages the accounting operations and financial reporting procedures for the various federal and state grants awarded to IADLEST. This includes the processing of all accounting transactions, and countersigned expenditures and receipts; including billings, accounts payable and receivable as well as budget management.

Yvonne maintains the trust and respect from fellow peers, clients, agency representatives and key decision makers from all areas of Law Enforcement and the Federal Government.

Prior to becoming the CFO for the International Association of Directors of Law Enforcement Standards and Training (IADLEST) in 2012, Yvonne held a number of increasingly responsible roles in executive and general management for several large corporations.

Yvonne is known for her ability to respond to challenges with confidence, determination and focus. She has exceptional problem-solving skills, multi-tasking ability and drive to exceed organizational efficiency. Yvonne has held positions in commercial sales, office management, sales director, financial administrator and director of operations.

Yvonne has brought several world leaders together by coordinating and managing the IADLEST annual conference from site selection, contract negotiation, scheduling, sponsorships, international delegation coordination and finances. She was recognized by the Department of Justice, ICITAP Program for her hard work and dedication at the IADLEST Conference in 2015 and received an award from the Indonesia Law Enforcement Conference delegation in 2018.

Yvonne has also led IADLEST through several State and Federal financial audits and has created sound and approved financial and accountability systems required by the Federal regulations and audit requirements.

When Yvonne is not managing the financial operations of IADLEST, she's most likely at the rodeo grounds, cheering her daughter on who has been competing in barrel racing since the age of 3, or she's supporting her son who is part of the high school swim team.
