

## **El Paso Intelligence Center (EPIC) State/Local Law Enforcement Training**

**JETWAY Training (3 days):** A 3-day course focusing on interdiction at commercial and small airports, bus and train stations, hotel/motels and parcel facilities. Course of instruction also covers airport ramp checks and indicators, K9 utilization in interdiction, legal authority, asset forfeiture, and an introduction to EPIC.

**Operation PIPELINE/CONVOY Training:** A 3 or 4-day Department of Justice approved Criminal Highway Interdiction training program designed for state/local law enforcement personnel whose primary assignment is highway interdiction. The instructional goal of this course is to train uniformed officers to identify illegal criminal activity indicators while they are engaged in lawful traffic enforcement operations.
